

**BETTE ANNE PRIBBLE**, North High Class of 1959

I was born an in Ogden, Utah and in 1951 my parents took the family on an adventure to Anchorage Alaska where we lived for 3 years. Upon coming back from Anchorage we ended up in Santa Fe New Mexico where we lived for 2 years. My father lost his job in Santa Fe and learned of a job in Denver Colorado.

He took the job in Denver Colorado and we followed him about six months late. We moved to Denver when I was in the 7th grade I attended Horace Mann Jr High and then went to North Denver High School.
