

DONETTA HESS PATRICK, North High Class of 1959

I was born in Johnson Kansas in 1941 where my father worked at a family grocery store. When I was the age of three, we moved to Canon City, Colorado where my father worked in another family grocery store. When it closed we moved to Denver, in a house on Franklin Street, until we moved to the house on 45th and Vrain. I was in the third grade and went to Alcott Elementary, then to Skinner Junior High, then to North High School and graduated in 1959.
