Mrs. Jeanette Moore, Maurice Moore, Larry Moore, Bernie Moore

My grandfather George Hemnes (father to my mother - Jeanette, two sisters and three brothers) as a young man was a merchant sailor in Norway during the 1870s. In 1880 he immigrated to the US settling in the small town of Inwood, Iowa and became one of the many farmers in the community. He married Martha Holland and had six children. George became a very successful farmer and at age 53 in approximately 1916 sold the farm, retired and moved the family to Denver. He built the family a large home on 38<sup>th</sup> and Stuart St. which remains to this day.

On my father's side of the family my grandfather John Moore lived in Cork, Ireland marrying Margaret Sullivan of Bandry Bay, Ireland. They immigrated to the US eventually moving to Colorado where grandfather joined the Moffitt Railroad (this RR eventually became the Denver & Rio Grande). My grandfather and grandmother had four children, my father Maurice, two older brothers and a younger sister. Grandfather became a section foreman for the railroad and helped supervise the digging of the Moffitt tunnel still used to this day located by Winter Park, Colorado.

My mother and father met in Denver and married in 1933. My older brother Bernard (Bernie North High 1956) was born in 1938 followed by myself joining the family in 1941. Our family lived at 4870 King St. that remains to this day, located near Rocky Mountain Lake.

Bernie married Pat O'Hare in 1962 raising two boys and two girls. I married Jane M. Wood (North High 1964) in 1969, followed by Jane having our daughter Tara L. Moore in 1973. Tara and her husband Alan live near us in Plano, TX. That allows us to support the family and enjoy our grand daughters, Amelia (2 yrs) & Sheridan (3 months).
