

PAT KIRKPATRICK JAN, North High Class of 1959

My great grand parents came from West Virginia and Illinois in the 1800's. Bringing my grandmother (Ramey) and grandfather (Johnson) with them as children. They met when my grandmother was teaching my grandfather's brother in a one-room school house. They lived near Greeley and my Mother was born in Evans in 1903. Both my Grandparents are buried in Greeley. My Dad came from Missouri in his late teens, met my Mom, raised her two children and then had me.

I spent my first 2 years on the East side of Denver and moved to 44th between Perry and Quitman in 1943. We lived there until I was 12 and moved to 50th & Shoshone. I attended Alcott from pre-school until 6th grade, then Skinner Jr. High and finally graduated North High School.

Hope to see everyone at reunion
